Message
from the
Grand
Knight

Brother
Knights,

Last month was very busy with some great programs, thanks for all your help. I look forward to hearing the final reports from the program directors this month. I heard good things from the parish regarding the Pasta Dinner, and it was fun seeing Father there.

It was great seeing the friendly faces and generosity of the community at the Measure Up Campaign, where Brother Bob Brehm's trunk looked like a casino at the end of the night with a big box of loose bills and about fifteen pounds of change, all to benefit the Special Olympics.

Thanks to John Umpleby and the many volunteers who helped and gave blood, the community blood drive, sponsored by the Knights, was a success. Although some appointments didn't show, they were met with walk-ins two to one. In spite of eight deferrals, the Red Cross banked 21 units and wants to schedule again in July.

Thanks very much for your service and fellowship.

May the Lord continue to bless you,

Dave Davisson, Grand Knight

**St.
Peregrine
Laziosi
Priest
1260-1345
May 16**

He was born in Forli, Italy in 1260. As a young man he was a member

of an anti-Catholic party until he encountered St. Philip Benizi, the head of the Servite order, who had been sent to try to reconcile the divided community. While trying to preach in Forli, Philip was heckled and even struck by Peregrine, who was overcome by political fervor. But that moment also changed Peregrine. He began to channel his energies in new directions, engaged in good works and eventually joined the Servites in Siena and went on to be ordained a priest. Returning to his home town, he founded a new Servite house there and became well known for his preaching and holiness as well as his devotion to the sick and poor.

One of the special penances he imposed on himself was standing whenever it was not necessary to sit. Over time, Peregrine developed varicose veins and, in turn, cancer of the foot. The wound became painful and diseased and all medical treatment failed. The local surgeon

determined the only cure was amputation of the leg.

Tradition has it that the night before surgery was scheduled, Peregrine spent much time in prayer before the crucified Jesus, asking God to heal him if it was God's will to do so. Falling asleep at one point, Peregrine had a vision of the crucified Jesus leaving the cross and touching his cancerous leg. When Peregrine awoke, the wound was healed and his foot and leg, seemingly miraculously cured, were saved. He lived another 20 years. Peregrine was canonized in 1726.

OLP Knights Annual Measure-Up Collection

On Saturday, May 2, the OLP Knights braved on-coming traffic at **Henderson and High Streets** to participate in our annual **Measure-Up Collection** to benefit Columbus Special Olympics. Collections totaled **\$2,092**. A great time was had by all – and for a great cause.

Many thanks for all who helped collect. Thanks also to Chris George who provided the photos.

Said by Mother Teresa

"You can pray while you work. Work doesn't stop prayer and prayer doesn't stop work. It requires only that small raising of the mind to Him."

Blessed Teresa of Calcutta

Catholic History Timeline

480 – Birth of St. Benedict of Nursia (d. 543), founder of Western monasticism and originator of the Benedictine Rule.

484 – Beginning of Acacian Schism. Pope Felix III excommunicates Patriarch Acacia of Constantinople for signing the Henoticon, a vague document, which contained no heretical statement, but did not condemn Monophysitism. It was intended by the Emperor Zeno to be a compromise formula of faith to please both Catholics and Monophysites.

491 – The Armenian Church secedes from the Church of Rome and Constantinople.

492-496 – Pope Gelasius I. He was also a staunch defender of the papal office during the Acacian Schism.

494 – Some persecuted bishops of North Africa are recalled from exile.

496 – Pope Anastasius II begins his reign (-498).

496 – Clovis, king of the Franks, converts to Catholicism. When his troops appear to be losing against the Alemanni at Strasbourg, he invokes the God of his Catholic wife Clotilda to give him victory. He is baptized by St. Remi, and brings the Franks to the Catholic fold, the first barbarian people to adopt Catholicism.

For Your Benefit

By: Mark Mandel

As a father, you worry about your children and do everything you can to protect them. You try to raise them right and make sure they are prepared to become adults. But have you ever thought about buying life insurance for your child?

When you insure a child, you are protecting his or her future. Did you know that one out of every six adults get rated, postponed, or denied for insurance coverage? If you purchase a policy for your child from the Knights of Columbus with a guaranteed purchase option, it guarantees that more insurance can be purchased for that child at certain set dates, without proving insurability.

Unfortunately, as fathers we don't have a crystal ball, and we don't know what the future may have in store for our children's health. But did you know that right now you can purchase a child's policy, in many cases, for less than \$10 a month?

I've heard it said that people don't want to "profit" from the death of a child, so they won't purchase coverage on their children. God forbid something tragic happens, those funds can come in handy at a time when finances will be the last thing on a parent's mind. I have never heard a story about someone who regretted buying coverage on their child.

Contact me today to discuss the many policy options for child plans, including 10- and 20-Pay life insurance. **Call Mark Mandel at 614-308-2294 or email me at**
