**Message  
from the  
Grand  
Knight**

**Brother  
Knights,**

It was great to welcome six new priests ordained for the diocese. Thank you for your generosity and service to seminarians through **Pennies For Heaven**.

We are looking forward to welcoming several new brothers this month and starting another year of programs. Please let us know your ideas and what programs you're most motivated by.

We are also looking forward to the Parish Festival **July 17<sup>th</sup> and 18<sup>th</sup>**. It is always a great time for families and it will be fun for a great cause. Please help by attending or volunteering if you can.

We have been called on to help with another parish blood drive on **Sunday July 26<sup>th</sup>**, more on this later.

May God Bless you,

**Dave Davisson, Grand Knight**

**St. Cyril of  
Alexandria  
Archbishop  
376 - 444  
June 27**

Saints are not born with halos around their heads. Cyril, recognized as a great teacher of the Church, began his career as archbishop of Alexandria, Egypt, with impulsive, often violent, actions. He pillaged and closed the churches of the Novatian heretics (who required those who denied the faith to be rebaptized), participated in the deposing of St. John Chrysostom (September 13) and confiscated Jewish property, expelling the Jews from Alexandria in retaliation for their attacks on Christians.

Cyril's importance for theology and Church history lies in his championing the cause of orthodoxy against the heresy of Nestorius, who taught that in Christ there were two persons, one human and one divine.

The controversy centered on the two natures in Christ. Nestorius would not agree to the title "God-bearer" for Mary. He preferred "Christ-bearer," saying there are two distinct persons in Christ (divine and human) joined only by a moral union. He said Mary was not the mother of God but only of the man Christ, whose

humanity was only a temple of God. Nestorianism implied that the humanity of Christ was a mere disguise.

Presiding as the pope's representative at the Council of Ephesus (431), Cyril condemned Nestorianism and proclaimed Mary truly the "God-bearer" (the mother of the one Person who is truly God and truly human). In the confusion that followed, Cyril was deposed and imprisoned for three months, after which he was welcomed back to Alexandria as a second Athanasius (the champion against Arianism).

Besides needing to soften some of his opposition to those who had sided with Nestorius, Cyril had difficulties with some of his own allies, who thought he had gone too far, sacrificing not only language but orthodoxy. Until his death, his policy of moderation kept his extreme partisans under control. On his deathbed, despite pressure, he refused to condemn the teacher of Nestorius.

### Its Festival Time!

The annual OLP Festival is here again! **It will be held Friday and Saturday nights July 17 and July 18.** All Knights are encouraged to either attend the Festival or help the Festival Committee in some way – see the Sunday Bulliten for ways you can help. **Its summer fun for the whole family.** Many new events and attractions are planned for this year, so please support the OLP Festival in any way possible. Encourage your friends and neighbors to attend, as well. If you go or if you are working the Festival, please be sure to wear your Knights identification.

### Would You Like to be a Greeter?

OLP is looking for parishioners to serve as **Greeters** in the Gathering Space before all Masses on Saturday and Sunday. **What does a Greeter do?** He greets folks as they come in the door and makes them feel welcome. If you would like to participate in this *easy, yet important,* assignment, please contact **Ed Price** at [Pricee99@yahoo.com](mailto:Pricee99@yahoo.com). It is a great way for the Knights to get to know everyone.

### The Empty Chairs

We looked around at the last couple of Council meetings and found that we had a lot of empty chairs. We also noticed that a very important part of our Council was missing – **YOU.**

If attending the monthly meeting could be a part of your regular schedule we could fill a lot of those empty chairs. We always need your ideas. You don't have to attend all the meetings – but we would like to see you as much as possible.

Since we have moved the location of the meeting to the Old Rectory, it seems that a lot of our regulars are missing. Our Council only works when everyone contributes. Hope to see **YOU** at the next meeting!

At the May meeting the Election of Officers for the 2015-2016 Fraternal Year was held. All of the elected officers agreed to return in for the new year at their current positions. The only exception is that **Past Grand Knight Lou Griffith** will serve as the 1<sup>st</sup> Year Trustee, taking the position of the late Trustee Terry Diebel.

### Catholic History Timeline

**498 – Election of Pope St. Symmachus (-514).**

**499 – The Synod of Rome issues decree on papal elections. It banned discussions on the election of a future Pope during a reigning Pope’s lifetime. It was an attempt to conspire to make an election truly democratic, and not make the reigning Pope choose his successor.**

**529 – The Second Council of Orange condemned Semi-Pelagianism.**

**529 – St. Benedict founded the Monte Cassino Abbey. Some years before his death in 543 he wrote a monastic rule which exercised tremendous influence on the form and style of religious life. He is called the Father of Monasticism in the West.**

**533 – John II became the first pope to change his name. The**

practice did not become general until the time of Sergius IV (1009).

**533 – Emperor Justinian promulgated the *Corpus Juris Civilis* for the Roman world; like the Theodosian Code, it influenced subsequent civil and ecclesiastical law.**

**Blessed Father Michael McGivney**

At the May meeting we watched a new documentary regarding the life of Blessed Father Michael McGivney, the founder of the Knights of Columbus. The film, produced by the Knights of Columbus, was very informative and touched upon the life of this extraordinary priest and how he came to found the Knights. The documentary is available from Amazon.com.
