Knight

Brother
Knights,

Many of you had the privilege to attend the Catholic Men's Conference and hear the call to be Catholic men in a culture that needs authentic men of faith. The Knight's of Columbus gives us the opportunity to preserve in our call by the fraternal opportunities to work together and pray together. Men we need each other to stay committed!

On another note, I was overwhelmed by the success that we as brothers had in putting together the **Valentines dance**. It was a **Huge** success because so many brothers assisted our Deputy Grand Knight with the event. We are few in number but mighty in our delivery. We provided OLP a social venue for couples that may well continue as an annual affair. So let's build on this success and open our eyes to see what God is calling us to in our efforts in the year ahead. **With God on our side nothing is impossible!**

Finally, please consider attending our **March 21** council meeting at **7:30 pm** in the Old Rectory. Remember, in coming together we strengthen the bonds that tie us together in Christ!

Ed Price
Grand Knight

**St. Nicholas
Owen
Artisan and
Martyr
?-1606
March 22**

Nicholas, familiarly known as "Little John," was small in stature but big in the esteem of his fellow Jesuits.

Born at Oxford, this artisan saved the lives of many priests and laypersons in England during the penal times (1559-1829), when a series of statutes punished Catholics for the practice of their faith. Over a period of about 20 years, Nicholas used his skills to build secret hiding places for priests throughout the country.

His work, which he did completely by himself as both architect and builder, was so good that priests in hiding were undetected by raiding parties. Nicholas was a genius at finding and creating places of safety.

At one point he was even able to mastermind the escape of two Jesuits from the Tower of London. After many years at his unusual task, Nicholas entered the Society of Jesus and served as a lay brother, although—for very good reasons—his connection with the Jesuits was kept secret.

After a number of narrow escapes, he himself was finally

caught in 1594. Despite protracted torture, Nicholas refused to disclose the names of other Catholics. After being released following the payment of a ransom, "Little John" went back to his work. He was arrested again in 1606. This time he was subjected to horrible tortures, suffering an agonizing death. Nicholas Owen was canonized in 1970 as one of the 40 Martyrs of England and Wales.
