New this year! We are asking ALL of our children to participate in 1 hour of service. Ideas include, but are not limited to: writing a letter/drawing a picture to mail to an out-of-town relative, volunteering at a local food bank, picking up litter, making care kits for the homeless, raking/mowing someone's lawn, donating clothing/books/games. These service projects should be age appropriate, engaging, and a way for your family to spend quality time together in service for someone in need. Our teachers will be following up with the children throughout the year to see what they are doing. We may even feature some of these projects on our school bulletin board!
